9 1. The Court hereby reaffirms its findings that the following previously-certified

 entity in which Ducati has a controlling interest; any officer, director, or employee of

1           Ducati; any successor or assign of Ducati; anyone employed by counsel for Plaintiffs in  
2           this action; and any Judge to whom this case is assigned as well as his or her immediate  
3           family.

4           2.       The Court finds and concludes that notice has been given to all Settlement Class  
5           Members known and reasonably identifiable as of the date of the Preliminary Approval Order,  
6           and the notice given was the best notice practicable under the circumstances and fully satisfied  
7           due process and the requirements of Rule 23 of the Federal Rules of Civil Procedure. The Court  
8           further finds that notice has been given to the appropriate federal and state officials pursuant to  
9           28 U.S.C. § 1715. Furthermore, the Court has given the appropriate state and federal  
10          government officials the requisite ninety (90) day time period (pursuant to 28 U.S.C. § 1715) to  
11          comment or object to the proposed settlement before entering this Final Order and Judgment and  
12          no such objections or comments were received.

13          3.       The Court finds that the terms and provisions of the Settlement Agreement,  
14          including any and all amendments and exhibits, have been entered into in good faith and are  
15          hereby fully and finally approved as fair, reasonable and adequate as to, and in the best interests  
16          of, the Plaintiffs and the Settlement Class Members, and in full compliance with all applicable  
17          requirements of the Federal Rules of Civil Procedure, the United States Constitution (including  
18          the Due Process Clause), and any other applicable law. In making this determination, the Court  
19          considered all of the objections submitted by class members.

20          4.       The Court hereby dismisses this action with prejudice and without costs, except as  
21          might be awarded in connection with Plaintiffs' application for attorneys' fees, reimbursement of  
22          expenses, and service awards ("Fee Application").

23          5.       The Court shall consider the Fee Application separately from its consideration of  
24          the fairness, reasonableness, and adequacy of the Settlement Agreement. Any order or  
25          proceedings relating to the Fee Application, or any appeal from any order relating thereto or  
26          reversal or modification thereof, shall not disturb or affect this Final Order and Judgment or  
27          affect or delay the finality of this Final Order and Judgment.

28          6.       Upon the Effective Date of the Settlement Agreement, in accordance with the  
Settlement Agreement, Plaintiffs and each Settlement Class member, individually and on behalf

1 and any successors, assigns, heirs and representatives, shall be deemed to have, and by operation  
2 of this Final Order and Judgment shall have, released, waived, and discharged all Released  
3 Parties from all Released Claims, as more fully set forth in the Settlement Agreement.

4 Notwithstanding the foregoing, claims for personal injuries (*i.e.*, bodily injuries) are not released.

5 7. The Released Claims include known and unknown claims. Settlement Class  
6 Members have expressly, knowingly, and voluntarily waived the provisions of Section 1542 of  
7 the California Civil Code, which provides as follows:

8 A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE  
9 CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER  
10 FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF  
11 KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS  
12 OR HER SETTLEMENT WITH THE DEBTOR.

13 Settlement Class Members have expressly waived and relinquished any and all rights and  
14 benefits that they may have under, or that may be conferred upon them by, the provisions of  
15 Section 1542 of the California Civil Code, or any other law of any state or territory that is  
16 similar, comparable, or equivalent to Section 1542, to the fullest extent that they may lawfully  
17 waive such rights or benefits pertaining to the Released Claims. In connection with such waiver  
18 and relinquishment, the Settlement Class Members have acknowledged that they are aware that  
19 they or their attorneys may hereafter discover claims or facts in addition to or different from  
20 those that they now know or believe exist with respect to Released Claims, but that it is their  
21 intention to hereby fully, finally, and forever settle and release all of the Released Claims known  
22 or unknown, suspected or unsuspected, that they have against the Released Parties. In  
23 furtherance of such intention, the release herein given by the Settlement Class Members to the  
24 Released Parties shall be and remain in effect as a full and complete general release  
25 notwithstanding the discovery or existence of any such additional or different claims or facts.  
26 Each of the parties expressly acknowledged that it has been advised by its attorney of the  
27 contents and effect of Section 1542, and with knowledge, each of the parties has expressly  
28 waived whatever benefits it may have had pursuant to such section. Plaintiffs have

1 acknowledged, and the Settlement Class Members shall be deemed by operation of the Final  
2 Order and Judgment to have acknowledged, that the foregoing waiver was separately bargained  
3 for and a material element of the Settlement of which this release is a part.

4 8. Attached to this Final Order and Judgment is a list setting forth the name of each  
5 person who submitted a request for exclusion from the Settlement Class in compliance with the  
6 procedures set forth in the Preliminary Approval Order" ~~0The persons so identified shall be~~  
7 neither entitled to benefits ~~from the settlement nor bound by this Final Order and Judgment. All~~  
8 Settlement Class members ~~who have not submitted such an exclusion request by the date set by~~  
9 ~~the Court~~ shall be bound by this Final Order and Judgment.

10 9. The Court orders that, upon the Effective Date, the Settlement Agreement shall be  
11 the exclusive remedy for any and all Released Claims of Settlement Class Members. The Court  
12 thus hereby permanently bars and enjoins Plaintiffs, all Settlement Class Members, their  
13 successors, assigns, heirs and representatives and all persons acting on behalf of such Plaintiffs  
14 or Settlement Class Members from: (a) filing, commencing, asserting, prosecuting, maintaining,  
15 pursuing, continuing, or intervening in any lawsuit or arbitration in any jurisdiction based upon  
16 or asserting any of the Released Claims; or (b) bringing a class action on behalf of Plaintiffs or  
17 Settlement Class Members, seeking to certify a class that includes Plaintiffs or Settlement Class  
18 Members, or continuing to prosecute or participate in any previously filed and/or certified class  
19 action based upon or asserting any of the Released Claims.

20 10. Without affecting the finality of this Final Order and Judgment in any way, the  
21 Court hereby retains exclusive and continuing jurisdiction over (a) all matters relating  
22 to the administration, consummation, validity, enforcement and interpretation of the Settlement  
23 Agreement; (b) further proceedings, if necessary, on Plaintiffs' Fee Application for attorneys'  
24 fees, expenses and service awards in connection with this action and its settlement; (c) the  
25 parties and the Class members for the purpose of construing, enforcing, and administering the  
26 Settlement Agreement and this Final Order and Judgment; and (d) entering such additional  
27 orders, if any, as may be necessary or appropriate to protect or effectuate this Final Order and  
28 Judgment and the Settlement Agreement (including, without limitation, orders enjoining persons

1 or entities from pursuing claims against Released Parties), or to ensure the fair and orderly  
2 administration of the Settlement.

3 11. Without further order of the Court, the parties may agree to reasonably  
4 necessary extensions of time to carry out any of the provisions of the Settlement Agreement.

5 12. In the event that the Effective Date does not occur, certification of the Settlement  
6 Class shall be automatically vacated and this Final Order and Judgment, and all other orders  
7 entered and releases delivered in connection herewith, shall be vacated and shall become null  
8 and void.

9  
10 IT IS SO ORDERED.
